Creating Solutions

Why Are You Waiting to Increase Your Sales?

"CMTC's exporting services, specifically the EXPORTECH™ Program, was instrumental in helping us to increase sales."
- Richard Brent, CEO, Louroe Electronics

ExporTech is a comprehensive program designed for manufacturers to expand their market. The program brings together all of the elements to assist manufacturers in developing export plans that include assistance with logistics, distribution, country selection, fees, regulations, best products to export and much more.

Why is ExporTech Different?

CMTC works with local partners to deliver a comprehensive program that assists manufacturers in their export efforts. Our strategic focus brings everyone together to assist and guide you through the process, creating a plan you can implement successfully.

Partners include but are not limited to:

U.S. Commercial Service FedEx NIST-MEP CIEDC
