

U.S. Commercial Service Agribusiness Team

NAMPO Harvest Days 2015

The NAMPO Agriculture Trade Show is the largest show of agricultural machinery in the southern hemisphere. The show embraces all agricultural machinery, products, service manufacturers and distributors. NAMPO, located in the heart of the grain-producing belt of South Africa, will be held during South Africa's harvest season.

Mini Booth Exhibitor Option \$2050

Join the USA Pavilion at NAMPO 2015 to meet potential partners in South Africa and neighboring countries. U.S. Exhibitors will receive:

- Booth space in the USA Pavilion.
- Listing in the USA Pavilion Catalog distributed at the show.
- The Mini booth allows space for a one meter wide company banner and product literature display.
- Price includes bus transportation from Johannesburg to the show and back, daily transportation to/from show grounds, and a guided farm tour.
- Optional Safari available.

USA Pavilion Catalog \$699

Unable to travel to the show? Unsure of the level of potential for your products? Take advantage of this market check option for NAMPO.

- Receive a full page promotion of your company and products in the USA Pavilion Catalog.
- U.S. Commercial Service staff will actively promote your products and gather leads at the show using the catalog.
- Following the show, you will receive a Market Interest Report and Trade Lead Report.
