

## **CURT E. H. WILSON**

President/CEO/Co-Founder/Co-Owner  
Corporation for International Business

Mr. Wilson directs and oversees all boomerang carnets | CIB day-to-day operations. He is a hands-on leader who takes ultimate responsibility for quality and customer service. His expertise includes ATA Carnet bond underwriting, logistics, Carnet claims management, client relationship management, cargo insurance and new product development. As a co-founder of boomerang carnets | CIB, Mr. Wilson directed the transition from a Carnet claims handling company to a major U.S. Carnet issuing office. Under his management, the surety operations of boomerang carnets have grown from zero in 1988 to US \$275,000,000 of bond penalty amount in 2011.

Mr. Wilson travels extensively domestically and internationally representing U.S. Carnet interests, sharing his expertise, and educating about the many benefits of the ATA Carnet document for temporary exports. He is passionate about the advantages of the ATA Carnet as well as supportive of boomerang carnets' diverse customer base, from symphony orchestras to automobile manufacturers. He regularly attends International Chamber of Commerce meetings and meetings of the United States Council for International Business Customs Committee in addition to representing boomerang carnets at numerous trade shows and speaking engagements annually.

On a typical Saturday afternoon you might find Mr. Wilson driving boomerang carnets' Carnet Mobile to CBP at O'Hare Airport to meet a customer, while taking a call from a traveling Carnet user who needs additional Carnet document certificates.
